LIVE UNITED

If you could feed fifteen hungry people a week, would you? Of course you would.

If you could provide a year of coaching and support services for an at-risk mother, would you? Yes! And you can, with even a small weekly donation to United Way.

That's because no organization is more effective than United Way at making every single dollar count in the fight for the health, education, and financial stability of every person in our community.

UNITED WE FIGHT. UNITED WE WIN.
