

ASOST RFP QUESTIONS

Proposal Summary: In 250 words or less, summarize the purpose of this request.

Please select your program focus area.

What specific expenses will these funds be used for?

Please explain how this fits the criteria of the grant and the ability of the program to meet the needs of the community you serve.

Please list the cities/towns/communities served.

What community need/target population will your program address with these funds?

What racial, economic, and/or opportunity gaps (disparities) have you noticed for the populations you serve? How does your program approach explicitly and proactively address these gaps? If you have specific data examples, please provide them.

Describe the activities you will implement to address the need.

Please provide a timeline for your work.

How do you define success for this program, and how do you track progress toward those goals?

Student Demographics
